MEMORANDUM OF AGREEMENT

KNOW ALL MEN BY THESE PRESENT:

This Memorandum of Agreement is executed and entered into by and between:

ASIAN INSTITUTE FOR DISTANCE EDUCATION FOUNDATION, INC. duly organized and existing under and by virtue of the laws of the Republic of the Philippines, with principal place of business at Greenbelt Mansion, Unit 302, Perea St., Legaspi Village, Makati City, herein represented by its **CHAIRMAN/PRESIDENT ANTONIO O. COJUANGCO**, hereinafter referred to as **AIDE**;

and

PHILIPPINE NATIONAL POLICE, an agency of government created and existing under and by virtue of the Philippine Constitution with principal place of business at Camp Crame, Quezon City, herein represented by its Chief, **POLICE DIRECTOR GENERAL JESUS AME VERZOSA, CEO VI**, hereinafter referred to as **PNP**;

Excerpts from the MOA signed by PNP and AIDE IN 2010

Dedicated to advancing the cause of open and distance education system in the country and to fulfill its advocacy of widening adult students' access to higher education, the Asian Institute for Distance Education (AIDE) entered into a partnership agreement with the Philippine National Police (PNP) in 2010.

The partnership was forged to meet the requirements of Section 23 of R.A. 8551 which requires the upgrading of educational qualifications of PNP officers and employees and as required by the Civil Service Commission (CSC). Further, R.A. 9708 provides that the PNP uniformed personnel

who are undergraduates and with less than fifteen (15) years in the service should obtain the minimum educational qualification preferably in law enforcement related courses within five (5) years, hence, the and collaboration with AIDE was pursued to be able to respond to the needed educational requirement of the PNP personnel.

The commissioning by the PNP of the services of AIDE comes with it the recognition that AIDE has a long standing reputation of providing quality open learning system and also acknowledging AIDE as the lone stand alone distance education provider recognized by the CHED.

PNP Graduates

Figure 1 shows the distribution of graduates from PNP. As seen in the figure, the first batch of graduates from PNP was in the year 1989 with an overall percentage of 2% out of the total number of students who are supposed to graduate in that year. The years 2004, 2005 and 2007 were among the years which percentage of graduates are greater compared to other years such as 16%, 12% and 10% respectively. The year 2003 obtained that highest percentage of 47% as compared to other years.

Do you know that???

AIDE was formally recognized as an education institution on April 11, 1984. But the concept of the Asian Institute for Distance Education (AIDE) really began as early as 1981 when Filipinas Foundation, Inc. embarked on a project to help the Philippine Foundation for Independent Study, Inc. (PFIS) raise funds in order to set up an educational institution which would utilize the non-formal system of instruction.

Figure 2. Pie Chart showing the number of enrollees in PNP, 2002-2009

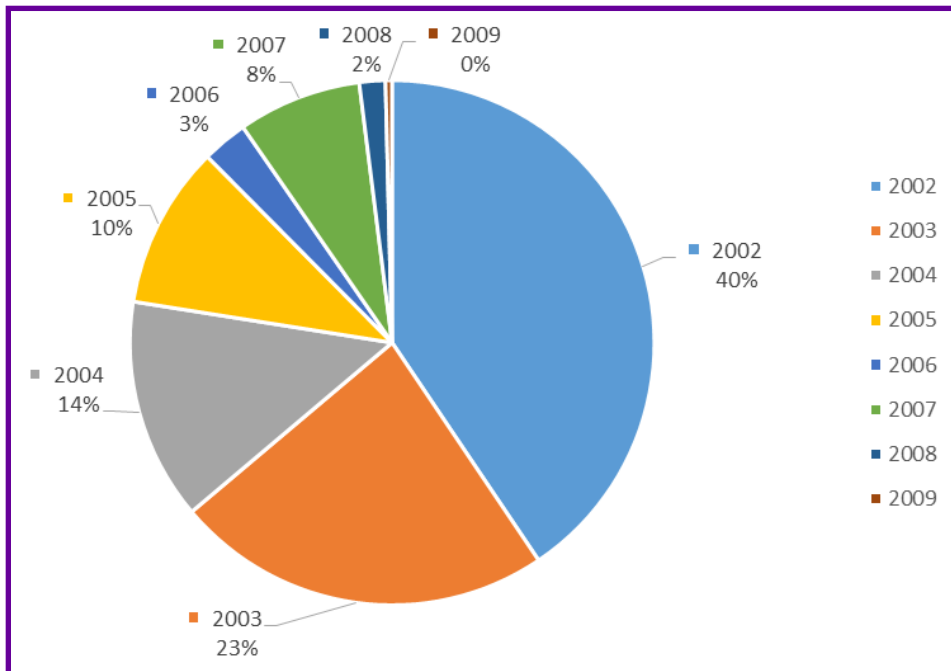

Figure 2 shows the distribution of the number of enrollees from PNP. As seen in the above figure, it was year 2002 which obtained the highest number of enrollees, a total of 40%; it was followed by years 2003 with 23%, 2004 with 14% and 2005 with 10% of the total number of enrollees.

IN A NUTSHELL

AIDE is a partner in nation-building of the country, catalyzing none conventional mode of education. It is operating for more than three (3) decades— providing quality distance education and widening student access to higher education.
