**A PROSPEROUS
NEW YEAR TO ALL!**

AIDE Management is wishing everyone a year full of prosperity, happiness and good health. May the year of the Rabbit bring you success and joy.

AIDE Academic Affairs' Congratulatory Message to Batch 2020 Graduates

MESSAGE FROM THE DEAN

DR. CECILIA JUNIO-SABIO, ACADEMIC AFFAIRS

In behalf of AIDE's Board of Directors, Management and Administration, we would like to extend our greetings and congratulations to all our graduates, especially those included in Batch 2020. Just as what our Chairman of the Board and CEO, Pres. Antonio O. Cojuangco, stated in his message (published in the November 2022 issue of the AIDE INFOBOARD), we are truly delighted to help our students obtain their college degree through unconventional means using open and distance learning philosophy. No matter how big or small the number of graduates are each year, we feel accomplished and happy to know that we are able to contribute to increasing the country's human development through lifelong learning. Such is also reflective of our contribution to the attainment of UN's Sustainable Development Goal (SDG) Goal No. 4 which calls for every nation to contribute to "Inclusive and equitable quality education and promote lifelong learning opportunities for all."

As you are aware, AIDE is the longest higher education distance education provider in the country that has been providing distance education for Filipino people across the country for almost 40 years. In recent years, it even extended its provision of higher education services to some foreign students. For four (4) decades now, AIDE practices open admission system employing the distance instructional system. Through this system, learners and instructors do not meet regularly in person, but students can study by themselves via the use of multi-media of instruction provided by the Institute like printed media (modules), video presentation, e-books available in the LMS, e-learning materials and face-to-face assessment and evaluation.

To be able to complete the requirements of the course through persistent self-direction, hard work and dedication, we commend all of you. Our respect goes to all the graduates of Batch 2022. Congratulations!
